I am readily familiar with the business practice at my place of business for collection and processing of correspondence for mailing with the United States Postal Service. Correspondence so collected and processed is deposited with the United States Postal Service that same day in the ordinary course of business. I placed a copy of the attached document for deposit in the United States Postal Service in a sealed envelope, with postage fully prepaid and that envelope was placed for collection and mailing on the above date following ordinary business practices.

I certify and declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct in accordance with 28 U.S.C. § 1746.

Executed on June 20, 2019 at Castro Valley, California.
